Anrich Nortje has been one of the gems of South African cricket over the last 24 months. Possessing the unique skill set of extreme pace and excellent control, he has blossomed into one of the most exciting fast bowlers in recent times. Able to hit over 150 kmph (with a top speed of 156.22 kmph), he is also capable of bowling a yorker that knocks over even the most settled of batsmen. He was the fourth leading wicket taker in the 2020 edition of the IPL with 22 wickets.
