Joshua has long been touted as a potential Protea's star. Possessing a calm head at the top of the innings, Josh easily takes the pressure of leading from the front and is a natural leader amongst his peers. A fluent stroke player, he is able to speed up the innings or hold an end up with solid defence. He will also occasionally bowl some off spin to slow down the opposition's batsmen. Still a youngster, we can expect exciting things coming from him in the coming years.
