Sisanda Magala has come to be known as one of the top death bowling specialists in the South African franchise system. Possessing excellent control, a toe crushing yorker and great pace (over 145 kmh), Sisanda has often been his team's trump card when a wicket is needed. On the batting front, His hard hitting and ability to score quickly has often been the difference in the match. He is a well-respected leader and is always prepared to take the pressure situations of the game on his shoulders.
