Tony de Zorzi announced himself to the world showcasing his excellent batting ability and leadership at the 2015 u19 World Cup. His ability to attack at the top of the order has led him to being compared to greats such as Matthew Hayden and Graeme Smith. His calm under pressure demeanor gives him the ability to bat for long periods and accumulate large scores which was displayed by his match winning 213* in the four-day competition in 2020. His scintillating form culminated in a match defining 117 for SA 'A' vs India 'A'. His aggressive style of batting can take the game away from any attack.

Tony is destined to wear Proteas colours in the near future and will no doubt be a stalwart for the team.
